# KEY INFORMATION

# RULE CHANGES

In December 2023 World Netball [WN] launched the Rules of Netball 2024 Edition. The new rules came into effect for all international matches from the 1st January 2024.

Below is a summary of some of the new rules however please see the World Netball website for a full summary

## TACTICAL CHANGES

The new rule means teams no longer have to fake an injury to make positional changes during play, they can just request a 'tactical change' immediately after a goal has been scored. This is in addition to the ability to make changes at an interval or at a stoppage for injury, illness or blood.

## GOAL AFTER WHISTLE

In the past, the ball had to pass completely through the ring before the whistle to be counted. Now, if the whistle to end play or to hold time is blown after the ball has left the hands of the shooter and the shot is successful, the goal will be scored.

## TOSS UP REMOVAL

A toss up was previously used if an infringement occurred simultaneously. However, due to improved umpire education and training, the use of toss ups has become much less frequent and umpires are instead, correctly, penalising the infringement that occurred first. Now, if a simultaneous infringement occurs the umpire awards possession to the team that was last in possession of the ball, where the ball was when play stopped.

# RULE CHANGES

## SHORT PASS

When a player passes the ball there must be sufficient space on the court for an opposing player to be able to deflect or intercept the ball as it moves from the hands of the passer to those of the receiver. The difference between the old rule “intercept by a hand” and the updated rule “deflect or intercept” is that the umpire must consider whether the defending player can make a genuine attempt, considering not just a hand, but a hand connected to an arm and body.

## GAME MANAGEMENT

Cautions have been removed and umpires can now advance or escalate a sanction. Normally an umpire will work through these game management actions in order unless an offence is serious enough to require a higher level of game management to be applied immediately.

**PROACTIVE ADVICE** - For low-level incidents that do not compromise player safety, an umpire can provide specific feedback to a player to change their behaviour.

**ADVANCE / ESCALATE** - A sanction may be advanced up to 5m. If an infringement is in the goal third, it can be advanced into the circle. A free pass may be escalated to a penalty pass, as a stand-alone action or in combination with the sanction being advanced.

**WARNING** - This lets a player know that if they continue to infringe the foul play rules they will be suspended.

**SUSPENSION** - The player will be sent from the court for 2 minutes of playing time. After 2 minutes, the suspended player may return to the court or they may be replaced with a different bench player.

**ORDERING OFF** - The player must leave the court and takes no further part in the match. The suspended player may be replaced by another player after 4 minutes of playing time.

# PAST WINNERS

## 2017

### ASCOT PARK HOTEL SOUTHERN STEEL

Ascot Park Hotel Southern Steel secured the inaugural ANZ Premiership title with a dominant 69-53 win over Te Wānanga o Raukawa Pulse in Invercargill. Unstoppable during 2017, the Steel were a class above all-comers, overcoming adversity to clinch an impressive 16th successive win in the season's showcase Grand Final.

## 2018

### ASCOT PARK HOTEL SOUTHERN STEEL

Ascot Park Hotel Southern Steel became back-to-back champions after coming from behind in a fairytale ANZ Premiership Grand Final. The Steel beat Te Wānanga o Raukawa Pulse 54-53 at Fly Palmy Arena in Palmerston North and did it in a dramatic fashion, netting the last seven goals of the game to spoil the hosts' party after the Pulse looked in control for much of the game.

## 2019

### TE WĀNANGA O RAUKAWA PULSE

Te Wānanga o Raukawa Pulse finally etched their name in New Zealand netball history as ANZ Premiership champions. Putting the nightmare of the 2018 Grand Final behind them, the Pulse held off a valiant effort from the Northern Stars to take out the match 52-48 in front of a rapturous home crowd in Porirua.

## 2020

### TE WĀNANGA O RAUKAWA PULSE

Defending champions Te Wānanga o Raukawa Pulse put on a punishing display to end an unprecedented season with a 43-31 Grand Final victory over the Good Oil Tactix. Although they led by 10 at halftime, the experienced Pulse had to pull out all the stops in the final quarter to keep out a fast-closing Tactix.

# 2021

## NORTHERN MYSTICS

Creating a slice of history, the Northern Mystics won the ANZ Premiership for the first time when pipping the Good Oil Tactix 61-59 in a gripping Grand Final. In front of a record domestic crowd of 5000, the Minor Premiership-winning Mystics delivered on their most successful season, putting a statement on a 14-year span to pocket their first-ever title, against 2020's beaten finalists.

# 2022

## TE WĀNANGA O RAUKAWA PULSE

Writing a new page in the record books, Te Wānanga o Raukawa Pulse became the first team to win three ANZ Premiership titles with a 56-37 win against the Robinhood Stars. In front of a sold-out stadium at TSB Arena, the Pulse became the most successful team in ANZ Premiership history dominating the season decider for a 19 goal win.

# 2023

## MG MYSTICS

Just two seasons after their historic first ANZ Premiership title, the MG Mystics returned to the winner's circle in 2023. In an all-Auckland final, the MG Mystics beat the Robinhood Stars 74-56 in a sold-out neutral venue, Hamilton's GLOBOX Arena, Claudelands. Equalling their highest score in a 60-minute match, the MG Mystics were an unstoppable force.

# A HISTORY OF NETBALL'S NATIONAL LEAGUE

## 1985

Almost 40 years ago, netball's first national domestic league was born. For the first time, the New Zealand Netball Association, under President Anne Taylor, actively sought sponsorship, striking up a new competition for the country's top club sides named the Swiss Maid League [after a popular yoghurt brand].

The final was televised in a dream slot – straight after an All Blacks' test – and Margaret Forsyth's Verdettes club from Waikato beat Auckland club Carmel. TV brought more eyes to the game, and interest in netball swelled.

## 1990

Bendon and the Sports Foundation poured \$1.5m into netball in New Zealand, and the club league became known as the Bendon League. Wellington's PIC, featuring Waimarama Taumaunu, and Auckland's Collegiate were dominant in the competition.

## 1998

The Coca-Cola Cup was revamped to become a glitzy new national league – netball's first steps towards professionalism. Ten teams represented 12 regions around the country playing in a five-week round-robin.

The 10 founding teams were the Northern Force, Auckland Diamonds, Counties-Manukau Cometz, Waikato Wildcats, Bay of Plenty Magic, Western Flyers, Capital Shakers, Canterbury Flames, Otago Rebels and Southern Sting.

Rule changes meant more contesting of the ball and less whistle, which appealed to crowds; games were often sold out. The Rebels were the inaugural champions, but the following season began a six-title streak from their neighbours, Southern Sting.

## 2007

After the Magic broke the Sting's spell, and won two championships (now known as the National Bank Cup) under the coaching of Noeline Taurua, the Southerners pulled off a fairytale ending to win the final league title by a single goal from the Force. Seven championships in 10 seasons – unprecedented.

## 2008

A new semi-professional era for netball dawned when the competitions of New Zealand and Australia merged to form the ANZ Championship. The Trans-Tasman league starred five teams from either side of the Tasman [Northern Mystics, Waikato BOP Magic, Central Pulse, Canterbury Tactix and Southern Steel were the NZ teams].

Waikato BOP Magic won the minor premiership in the first season, but lost the grand final to NSW Swifts.

## 2012

While the New Zealand sides in the ANZ Championship were competitive, only one – the Magic – ever won a title. Coached by Taurua, and featuring Silver Ferns centurions Irene van Dyk, Laura Langman and Casey Kopua, the Magic lost the first four games of the 2012 season, only to win the next 12 matches and defeat Melbourne Vixens by three goals in a grand final played in front of 10,500 fans.

Over nine seasons, only the Magic [twice] and the Mystics made the Grand Final.

## 2017

When the trans-tasman partnership dissolved, Netball New Zealand returned to its own premier national league competition, eager to restore the New Zealand style to their game.

The ANZ Premiership included the five existing teams, joined by a new team representing east and south Auckland – Northern Stars. In the first season, Southern Steel were unbeaten on their march to become inaugural champions.

## 2021

After 13 seasons, Northern Mystics finally won a league title. Central Pulse, coached by Yvette McCausland-Durie, claimed their third crown the following year, while the Mystics were the national champions again in 2023.
